

Teachers' Directory and Website

Teachers' Directory booklet: is published annually as a reference resource for members, their students and other interested individuals and organisations. Closing date for an entry is 15 January. Directory is printed and distributed in February.

Find a Teacher: found on the **public pages** of the **anats website**, this is a first point of contact for prospective students etc. Members who pay to be included in **Find a Teacher** may request that their details be updated, or if they prefer may update their own details by logging on to the private members' section and following the instructions for updating.

Inclusion in the **Teachers' Directory** and the Find a Teacher website page is restricted to **Full, Joint, Affiliate and Associate Teacher members.**
